YOUR INVITATION TO **Booking Manager** SEMINAR

AGENDA

17:00 Booking Manager **Seminar for Charter Operators and Agents**

Data Driven Insights: Learn how the global charter market performed in 2024 and how are things looking so far for season 2025.

New Skipper Services: Skipper services are available directly from the System! Find, showcase and book a skipper of your choice in real time on the largest charter market! Booking Manager News: Which are the most used features? What are the latest developments and how you can use Booking Manager to stand out and gain more bookings?

17:30 Booking Manager Wine Cheese & Mingle

Enjoy some authentic Croatian cheese, and wine, and network with your industry peers.

Booking Manager WORKSHOP

AGENDA

17:00 Booking Manager Invoicing Workshop

Invoicing is arguably the most important step in the process, but it can prove challenging at times. With Booking Manager invoicing complex calculations can be done in just a few steps. It doesn't matter if you are issuing a pro-forma invoice or creating a final one, Maja's workshop will showcase all the tips and tricks you can immediately use to simplify your invoicing procedures.

17:30 Booking Manager

Wine Cheese & Mingle

Enjoy some authentic Croatian cheese, and wine, and network with your industry peers.

SEE YOU THERE!
